

ARTESANO

DE ARGENTO

Artesano (Artisan in English) pays homage to the traditional silver and leather handcrafting from Argentina. Argentine traditions on handcrafting could be traced back to the conquerors and, nowadays, this has become a very well known profession with worldwide recognized and prestigious artists. The wines of Artesano come from our organic vineyards at the foothills of the Andes, respecting the traditions, soil and care of the organic winemaking as if it were made by Artisans.

· Organic Malbec 2020 · Finca Agrelo

This wine is made 100% with Malbec grapes from our organic vineyard located in Alto Agrelo, Mendoza, where the thermal amplitude varies from 35° C in the hottest days to 10-15 °C in the coldest summer mornings.

Intense purple color, concentrated aromas of plums, black cherries and notes of violet. Round on the palate, soft tannins, long finish.
